Your new **Hospital Hopper** service

Operated by fully electric buses with zero emissions, allowing for a quieter, smoother ride, as well as helping to keep the air across Leicester cleaner and fresher.

Free USB charging ports are fitted on each seat to allow you to charge your mobile or tablet whilst on the move.

On board passenger information displays are fitted on the buses, with audio-visual next stop announcements to help make travel more accessible.

Best value fare capping is available on the service through Tap on Tap off.

A 'no stopping' express red route for general traffic along London Road is in place to help the service run more reliably.

Helping our Hospitals to Net-Zero

The Hospital Hopper service forms part of the Leicester Buses Partnership's package of improvements.

Since the partnership's launch in 2022, we have been transforming buses with one clear aim: to build an **integrated network** of **30 bus lines** to **5 key standards** — **electric**, **frequent**, **reliable**, **easy** and **great value**.
